

92-3032, 92-3033, 92-3531, 63-AB3033 Deluxe French Sketchbox Easel Assembly Instructions

This french sketchbox easel is 95% assembled. All one must do is set-up the legs and open the sketchbox for proper use and handling.

Assembly Instructions

1. After removing Sketchbox Easel from box, remove styro-foam sides and discard.
2. Begin by loosening wing nut [A] found under top rear edge of easel sketchbox. After loosening wing-nut [A], swing center leg outward while swinging hinged support [B] out until it stops against support plate. Tighten wing-nut [A] to secure. See FIG 1.
3. Loosen wing-nut [C] and swing middle section of center leg up until it stops against support plate. Tighten wing-nut [C] to secure. See FIG 2.
4. Finish center leg assembly by loosening wing-nut [D] and sliding out the lower section of leg completely. Tighten wing-nut to secure. See FIG 3.
5. Assemble Side Legs by slightly loosening wing-nut [E] and pulling legs away from easel box by unsnapping it from the easel sketchbox at [F] **Please Note: You may have to pull firmly.** See FIG 4 and review FIG 4A.

92-3032, 92-3033, 92-3531, 63-AB3033
Deluxe French Sketchbox Easel Assembly Instructions

6. Continue by extending lower portion of right leg by loosening wing-nut [G] and extending lower leg [H] completely. Tighten wing-nut to secure. See FIG 5. REPEAT with left side.

7. Loosen wing-nuts [I] and [J]. Twist left and right leg towards rear of easel making certain legs are positioned into slotted grooves [K] then re-tighten wing-nuts [I] and [J] to secure. See FIG 6.

Before going to step 8, easel should look like FIG 7.

8. Making certain all wing-nuts on all legs are tightened, continue by carefully turning easel up onto all 3 legs. See FIG 8.

9. To open Sketchbox, release each hinge [L] on both sides of sketchbox and loosen wing-nuts [N] and [O] positioned along tilt supports [M]. See FIG 9 and 10.

10. Lift up on sketchbox to swing up and open. Lock into desired position/angle by tightening down wing-nuts along tilt supports [M]. See FIG 10.

11. To adjust upper canvas support loosen metal knob [Q] on rear of upper canvas support. See FIG 10. Tighten at desired height. To adjust lower canvas support loosen wing-nuts [P] along outer edge of canvas support. See FIG. 11. Tighten at desired position.

Your easel is now ready for your painting enjoyment!
